

Feral Animal Workshop

Wednesday 24th June 2009 6.30-9pm

The Community Environment Network would like to invite you to a free workshop focusing on the problems caused by feral animals in our native bushland and on private property.

The workshop will focus on the issues associated with animals found in our local area including rabbits, cats and foxes, and what is being done by local government organisations to control them. Talks will be given by expert speakers from the National Parks and Wildlife Service and the Rural Lands Protection Board, followed by drinks and nibbles. The workshop is funded by CEN's Land for Wildlife and Wetlands projects.

WHERE: Berkeley Vale Neighbourhood Centre

**RSVP by
